The Colts and Lady Colts for the basketball season have had a couple of games so far, as of the date January 9th, 2023. All teams except the JV girls played against Ridgecroft on January 9th. The middle school boys and middle school girls both played their hardest, but unfortunately, both teams lost their games. Middle school girls played first at 3pm. They finished the game with a score of 27 to 7.

Middle school boys played next, at 4 pm. They finished with a score of 24 to 16. JV boys did really well with winning their game on December 16, 2022. Their finishing score was 41 to 13. On December 6, 2022, JV girls also had a perfect match. Their finishing score was 12 to 32. Varsity girls had a game on December 16, 2022. They had an excellent game that day with a finishing score of 15 to 61. The varsity boys won a game on December 8, 2022. They had a finishing score of 45 to 44. That game had everybody on edge with how close the score was. Tournaments will soon start in February 2023. Let's hope we end the season well!

# NEW INSTALLMENTS

Written by Ethan Jones & Hunter Meek

Recently, our school has been going through some renovations around the school.

Some of the renovations that have been done are in the gym bathrooms, which were much needed.

Also, many air conditioning units have been added or replaced. For example, the gym has begun slowly adding air conditioning, and all classes have received new air conditioning units.

If the parts are in by the spring the gym should have the heating and cooling finished over spring break.

The last thing we shall receive this school year is the gym roof replacement that will take place over our summer break.
